

## HADERUP KULTUR- OG IDRÆTSCENTER

HKIC is the place where most of Haderup's club and associational life unfolds. Here you will find the hall, fitness center, physiotherapy, and outdoor padel and tennis courts. For more information, visit [www.haderupfs.dk](http://www.haderupfs.dk).

Haderup Skytteforening, Haderup Billiard, Bøgely Aktivitetshus, and the pickup point for Herning Bibliotekernes delivery service are also located in HKIC, as well as beautiful event spaces that can be rented for parties, meetings, and similar occasions.

Just inside the doors of HKIC hangs a large board where you can keep track of the activities in HKIC.
