# WOKING COUGARS SATURDAY CUBS

**RUNNING EVERY SATURDAY 10.30-11.30AM**

**@ WINSTON CHURCHILL SCHOOL 3G, WOKING, GU21 8TL**

Our Saturday Cubs sessions give young players the perfect first step into football. Through fun, imaginative practices, children develop their early technical skills, movement, and coordination while building confidence and learning to play with others.

Every child, whatever their ability, gets plenty of touches and enjoys energetic warm-ups, small-sided games, and activities designed to encourage bravery, teamwork, and a love of playing.

Along the way, Cubs make new friends, grow their passion for the game, and learn the positive behaviours we value at Woking Cougars. As they develop, there is a natural pathway into our junior teams.
