## NOTES

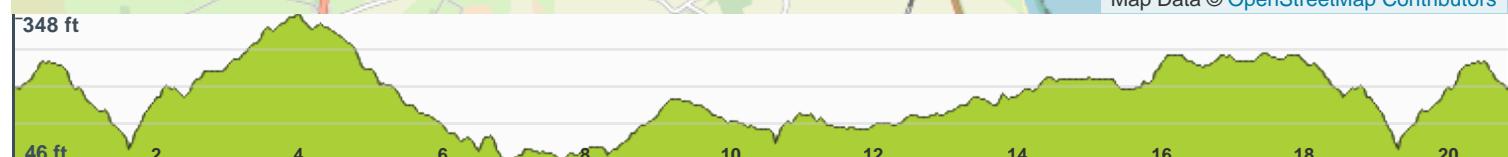

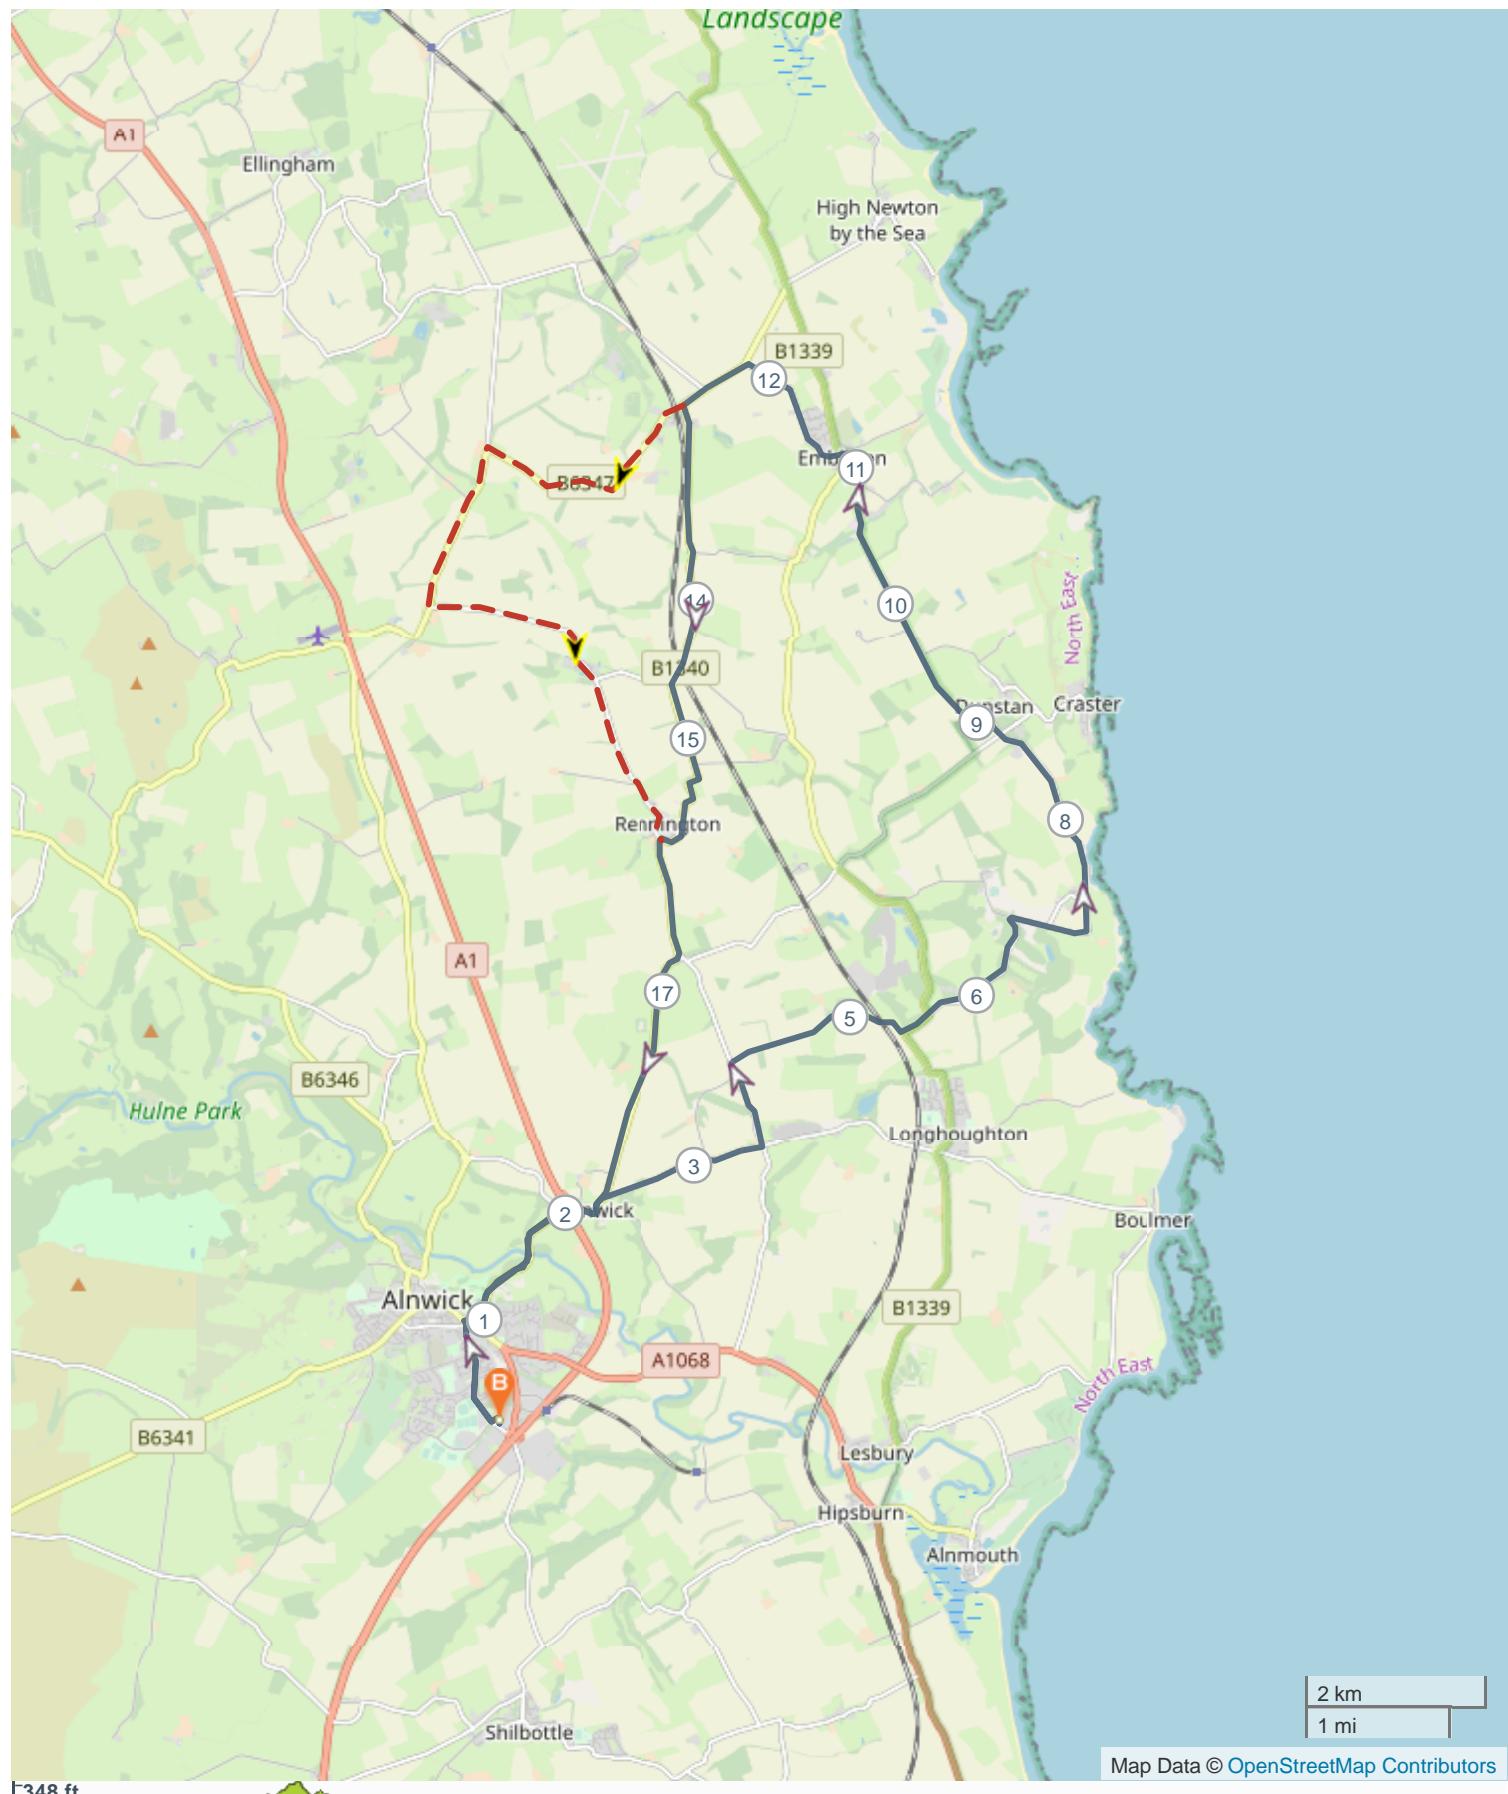

Care should be taken at the road junctions near the war memorial in Alnwick and riders should regroup after navigating this junction in both directions if required.

Be careful of possible gravel at the quarry bend.

There is a traffic calming road width restriction as you enter Christon Bank, with priority for traffic coming from the opposite direction.

There is a rail crossing in Christon Bank (on the alternative route), riders should always cross the rail track at right angles and under no circumstances start to cross if the lights turn red. If the group is split at this crossing the lead riders should stop and wait for the rest of the group.
