FAIRPLAY CUP 2026

INVITATION

Event highlights:

- **Joint Trip:** A perfect end-of-season trip for your club
- **International Competition:** Test your skills against diverse opponents in a competitive yet friendly environment.
- **Extra Prizes:** Awards for both fairplay and excellence

After a record-breaking tournament last year with around 450 participants, we are excited to once again welcome you to Fairplay Cup 2026.

This year, the tournament will again be held as a two-day event across all age groups, with a joint award ceremony on Sunday. Fairplay Cup is perfect both as a relaxed season-ending weekend for U15 teams and as an intense weekend tournament for U17 and U20 teams. In short, it is a tournament for the entire youth section – all age groups, all skill levels, and both genders.

The tournament brings together clubs from Denmark and abroad, including teams from Norway, Sweden, and Germany. Each age group is limited to eight teams, and places are allocated on a first-come, first-served basis.

Once again this year, you can look forward to a variety of special prizes, fun activities, and the opportunity to purchase an official tournament T-shirt and visit our volleyball shop during the event. We look forward to a weekend dedicated to community, well-being and fairplay.
