FUNDRAISING EVENT

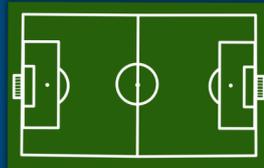

### Partner With Naas AFC – Quid Games 2026

*When Winter Comes, Football Stops.*

Every year heavy rain leaves our grass pitches unplayable for weeks. Matches are cancelled. Training is lost. Momentum disappears. At the same time, demand for places at Naas AFC continues to grow – and we are now turning children away due to facility constraints. The bottleneck is not ambition. **It is infrastructure.**

#### The Solution

A Full-Size All-  
Weather Match Pitch

Our priority investment is a new full-size astro. It will:

- Keep football going all year
- Eliminate weather disruption
- Increase match and training capacity
- Allow more children to play

This is a permanent, visible community asset.
