- If an applicant has obtained sponsorship/travel grant funding from a third party, e.g. JCAYA, JCA or commercial sponsor, such third party funding must be disclosed and shall be deemed the primary funding source. The amount claimed from the CCC in addition to primary funding shall not exceed the total cost of travel, accommodation and event entry costs.
- Retrospective applications will not be accepted.
- The maximum value of travel grants awarded to an individual member shall not exceed £500 for senior members or £750 for U23 members in a calendar year. Applications received which exceed the aforementioned limit may be awarded at the discretion of the management Committee.
- Grant applications are considered periodically by the CCC management committee. Please allow six weeks from date of receipt of the application for grants to be awarded.
