NOTES

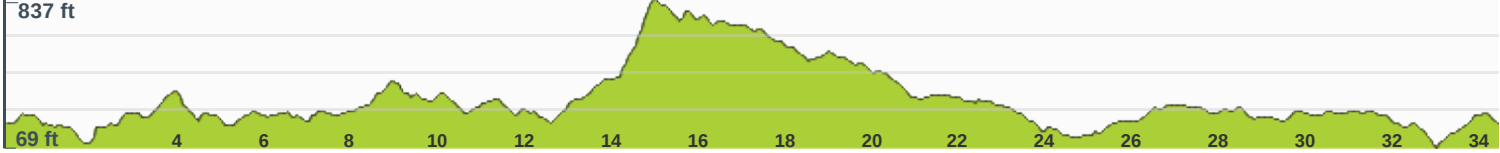

Care should be taken at the road junctions near the war memorial in Alnwick and riders should regroup after navigating this junction in both directions if required.

The climb up to Ros Castle is long and steep with the steepest section near the top! The climb also has a cattle grid half way up.

The descent from Ros Castle although not steep has some sections which have lots of potholes and gravel, therefore care should be taken on this road all the way to North Charlton.

On the return the section of the ride from Fallodon Mill to Rock Moor may be ridden as an individual effort if desired, but riders should wait for the rest of the group after turning off the B6347 at the top of the hill.
